## MARCH AND THE LION.

Something Better Than the Old Saw.

The saying about the lion and the lamb in March often proves false, but there is another and a better one which is literally true. When March comes in and finds you taking Hood's Sarsaparilla to purify, enrich and vitalize your blood, you may expect, when it goes out, that it will leave you free from that tired feeling and with none of the boils, pimples and eruptions which manifest themselves because of impure blood in the spring. If you have not already begun taking Hood's Sarsaparilla for your spring medicine, we advise you to begin today. We assure you it will make you feel better all through the coming summer.

## Texas Notes.

The oil well seven miles from San Antonio is giving a satisfactory yield of an excellent lubricating oil.

The strawberry crop near Alvin was largely reduced by the freeze which occurred in that section over two weeks ago.

The Southern Pacific is laying steel rails on the entire track between Victoria and Port Lavaca.

## A SWEDISH BARK.

Strange Visitor at Brazos Mistaken in Its Destination.

Further news of the strange vessel which arrived off Brazos Santiago, yesterday, shows her to be the Swedish bark Marie, Capt. Anderson, her home port being Stockholm, Sweden. She has a capacity of 395 tons and is one of the largest sailing vessels seen on this coast in many a day. Her crew consists of nine men.

The Marie sailed from Gibraltar, at the entrance of the Mediterranean sea Jan. 14, her destination being San Fernando Yucatan, where she was going in ballast to get a cargo of fine woods. By some mistake, her officers passed their destined port, which is on the northern coast of Yucatan, and sailed about 700 miles out of their way for San Fernando, Tamaulipas, which is about fifty miles south of Brazos Santiago, on the Mexican coast.

The chief mate, Larsson, came in on the pilot boat Ada last evening, and came up to Brownsville this morning, going over to Matamoros to confer with the Mexican authorities.

## Father Parisot's Golden Jubilee.

The San Antonio Southern Messenger of last week has the following account of the golden jubilee celebration of the venerable Father P. F. Parisot, who lived in Brownsville for so many years:

Tuesday, Feb. 26, was the fiftieth anniversary of the religious profession of Rev. P. F. Parisot, O.M.I., the venerable author of the "Reminiscences of a Texas Missionary." In accordance with his expressed wish there was no public demonstration, and he celebrated Mass privately in the chapel of the Oblates Fathers at St. Mary's. At dinner he was joined by six of his Oblate confreres, and in the afternoon took a drive to the Academy of Our Lady of the Lake, of which he has been the chaplain since Father Pefferkorn's departure. There, however, a surprise was in store for him, for the Rev. Mother had arranged a little entertainment by the pupils and Sisters in his honor. Addresses, vocal and instrumental music, and recitations followed each other in agreeable succession and helped to brighten up the old gentleman's jubilee. That he may live to see the golden jubilee of his ordination which will occur on Feb. 15, 1902, and many more years, is the sincere wish of his many friends throughout Texas and elsewhere.

## A Wedding.

The marriage of Federico Gutierrez and Miss Siria Cortez took place last night at the ranch home of the bride's parents, at Las Anaquas, nine miles from town. The attendants were Tomas Cortez and wife, and Celso Oliveira and wife. The ceremony was performed according to the rites of the Catholic church. There were about a hundred guests present. An elaborate supper was served, and dancing was indulged in until a late hour. The Anzaldue band played for the dancing.

The newly married pair both belong to well known and highly respected Mexican families of this county, and have numerous friends who wish them happiness and prosperity.

## Isabel Items.

To THE HERALD.

Isabel, Texas, March 11.—The Mexican young men gave a masquerade ball last night. It was well attended and quite a nice affair.

The schooner Olga, is still aground at Brazos, with no prospects of getting off until a good flood tide. Perhaps it will be necessary to take some cargo off of her to lighten her up.

No schooners were in sight up 2:45 p. m.

Preparations are being made at the baile grounds for a grand masquerade ball to be given by Jaime Montenegro.

There is a rumor that there will be an excursion from Brownsville next Sunday, and two public dances given Saturday and Sunday, if the weather permits.

Surfman Otto Linshden of the Brazos life-saving station was up on 24 hours liberty. He returned to his post today.

We are glad to learn that Mrs. J. J. Egan will return home soon from Dallas, Texas, where she has been for several months visiting her daughters.

Things are somewhat quiet since we have had the pleasure of Mr. Telesforo Garza's services as deputy sheriff.

## THE MERGER BILL.

No Good Reason Why the Southern Pacific Should Not Have Its Way.

The Cuero Star takes a reasonable view of the request of the Southern Pacific company for legislation permitting the consolidation of the Victoria division with its main line. The Star says:

"There was considerable agitation about Cuero the past few days affecting the proposed merger bill, which would consolidate the management of our division of the Southern Pacific with the main line, conditioned that the S A & A P should be built between Cuero and Stockdale and that the Beeville line should extend to Brownsville. It appears now, however, that the Southern Pacific system is more interested in merger propositions on the Central and will hang up our roads for a legislative term or two. The Star wants to see all railroad building possible in this section. Railroads bring people and business. Again we

Makes more cupfuls of better coffee to the pound than any of its imitations

Is prepared by an individual firm who made their reputation many years ago; who intend to maintain it as long as the people appreciate good, pure coffee, at an honest coffee price.
